Get To Know Our Staff: Ms. Sara Rho

Hello! My name is Sara Rho and am the Leave Replacement Teacher covering for the Gifted and Talented Program until January 2023 at School #2 and #4.

As a Fort Lee Alum, I am ecstatic to begin my career as an educator in the school district that I attended. I am currently working alongside the teachers I grew up with and it has been

a full circle moment. It's my pleasure and honor to be able to work with them.

I graduated from Montclair State University with a degree in Family Science and Human Development. I first started working with children back in high school as a camp counselor with the Fort Lee Recreation Department. I have worked at mul-

iple schools completing internships in both Montclair and Newark.

This is officially my first year working in the Fort Lee Public School District. My goal is to build a strong rapport and interpersonal relationships with students, parents, and teachers in an effort to create a fun, comfortable learning environment. I am thrilled to be a part of this great community!

School No. 4 Kindergarten News

The kindergarten students are off to a great start in their new school! We have spent the first few weeks getting to know our school, each other, and our teachers. Our students have been learning new sight words, letters, counting, and so much more!

The kindergarten students have transitioned well and are enjoying being a part of our School 4 Community. We started the month of October learning about respect. We enjoyed watching our first assembly with Mike Magic. He spoke to

us about how to be kind and how to never be a bully. He also showed us some great magic tricks! In the classroom, we have focused on this theme of respect by reading lots of great books on the topic.

We have some fun things coming up including the Pumpkin Picking event generously provided by the School 4 PTA later this month.

From The Nurse's Office: Ms. Kim

Welcome to School No. 4! I am Nurse Cecilia. I wanted to take this opportunity to introduce myself and remind families of a few things.

It is important to start the school year off having all student records, important medical documents, and immunization forms filled out

and submitted to my office as soon as possible. If your child has any food allergies or asthma, please have their medical forms filled out by a pediatrician and submitted to me along with the appropriate medication. Thank you for your help in keeping the S4 Community safe!

The Counselor Corner: Mrs. Fusco

Next week, students will be engaged in activities to celebrate "The Week of Peace." The students are invited to "Chalk the Walk" and decorate the blacktop with messages of peace

and kindness. They will also participate in decorating the Buddy Bench with their "Penguin Prints."
