Asian American Pacific
Islander Heritage Month**

Asian American Pacific Islander Heritage Month

Asian American and Pacific Islander Heritage Month is observed in the United States during the month of May, and recognizes the contributions and influence of Asian Americans and Pacific Islander Americans to the history, culture, and achievements of the United States.

The S4 PTA has organized a full day to celebrate this special occasion. The goal is to have all students "visit" and experience the cultures of various Asian countries as it relates to fashion, cultural practices, cuisine, language, music and more! Thanks to the S4 PTA!

May's Character Theme of the Month is, *The Future is Full of Possibilities.*

April is a month that encompasses transition, change, preparedness, and turbulence. We have rain, snow, sun, wind...and all these play a vital role in mother nature and ecosystem to bring something special and beautiful in May...the sunshine and blooming flowers.

This has been a difficult month but think about what is to come, as students shine or just start to bloom or blossom.

So with that .. think ahead.. THE FUTURE IS FULL OF POSSIBILITIES...SUMMER, SUN, and FUN!
